

Posters about autism and bullying

in the Night-Time”

We are pleased to share with you the wonderful posters about bullying and autism.

They were respectively created by our 1st grade students and by LLCE specialty students after reading the book “The Curious Incident of the Dog

Nous vous partageons le très joli travail réalisé par nos élèves de 1ères et nos élèves de spécialité LLCE sur le thème du harcèlement et de l'autisme (après lecture du livre "The Curious Incident of the Dog in the Night-Time"). Bravo à eux !
