

# La dernière Réunion transnationale BELGRADE-CATANIA-CERNY !

Et c'est la fin d'un projet transnational collaboratif de 3 ans !

Durant trois jours, du 02 au 04 juin 2022, nous avons poursuivi notre coopération entre la Serbie, l'Italie et la France dans un projet ERASMUS+ d'innovation et d'échanges de bonnes pratiques. C'est enfin la dernière pierre de ce projet de longue haleine !

On vous raconte tout !

*During three days, from 02 to 04 June 2022, we continued our cooperation between Serbia, Italy and France in an ERASMUS+ project of innovation and exchange of good practices. This is finally the last transnational meeting of a project that lasted three years! Three years means 10 exchanges between students, 9 of which were distance learning (unfortunately...), 5 meetings between teachers from the three countries and the*

*creation of a collection of CLIL Lessons and a digital glossary in four languages. To include our work in an international exchange has been a complex experience but rich in memories. Reconciling creation of educational activities, digital innovation innovation and language on a background of administrative financial and logistical management was a a real challenge. Share our professional and cultural framework and cultural framework through our exchanges has been enriching! Our counterparts really appreciated the air show at La FERTE ALAIS. We ended this meeting with the desire for each of us to continue these international projects in order to propose to our next students to find themselves in the values which found Europe!*
