

Journée Européenne des Langues

L'union européenne

La France est un des membres fondateurs de la Communauté économique européenne, en 1957. Avec l'Allemagne, la Belgique, l'Italie, le Luxembourg et les Pays-Bas.

Ce que nous avons fait en 2GT3

Les posters

Par groupe de 4 ou 5, les élèves ont choisi un pays de l'union européenne afin de créer un poster.

Les consignes étaient simples —> chaque groupe recevaient une feuille A3 sur laquelle devait apparaître:

- le nom du pays en anglais ainsi que dans la langue du pays
- la capitale
- du drapeau
- la ou les langue(s)
- quelques mots dans la/les langue(s) du pays

L'activité au CDI

Chaque classe, par groupe ou en classe entière, va au CDI pour prendre part à une activité:

huit audios ont été sélectionnés, dans huit langues différentes. Les élèves devront donc essayer de reconnaître ces langues.

La même activité a été préparée mais cette fois à l'écrit.
